INTRODUCTION

Response (UK) Security Ltd is one of the major Security Companies in London, providing a broad range of professional security and surveillance services to large, medium, small corporate organizations and businesses across London, the South East and the UK. We specialize in the provision of security guards and associated security contracted services.

Being amongst the trusted Security Companies in the UK, our primary remit is to prevent loss to the client and add value to their business through our integrated and specialist approach.

We achieve this with the deployment of highly trained security guards operating within a broad range of contracted security services. Our services includes, Facilities Management, Corporate Guarding and Concierge Services, Hotels, Construction site security, CCTV recording/monitoring and Dog Handling, Car Park Management, Events, Schools, Hospitals, Mobile Patrol Visits, Key Holding Services, Emergency Cover, Security Receptionist,

Response UK Security Ltd is focused on offering and providing its clients with high quality services, using well trained professional staff. Our company is reputable and unique in providing it's expertise service. This combination of professional personnel is what helps set us apart from our competitors. Response UK Security Ltd is, completely, committed to providing professional and quality services to our clients. Customer satisfaction is paramount.

Response UK Security Ltd understands and recognizes that providing a safe business environment for our client is very fundamental. Finding a security provider who, not only, understands every client's special needs can be very challenging. At Response UK Security Ltd, we prioritise in-depth analysis of our clients security needs and then create effective innovative solutions.

Response UK Security Ltd personnel are fully trained; SIA Licensed, First Aid Trained, CSCS Holders, Insured and Bonded. We, also, employ the services of retired law enforcement officers. They are further screened (CRB Checked) and tested before being deployed.

Mission Statement

Our mission is to provide professional security solutions that exceed our clients' expectations and needs with an emphasis on value, integrity and professionalism.

We are an employee focused, customer driven Security Company with an enthusiastic desire to meet the distinctive goals of each of our clients through quality practices and unique solutions.
